INTRODUCTORY COMMENTS:

This Amendment is filed in reply to the Office Action issued by the U.S. Patent and Trademark Office on September 19, 2006 in connection with the above-identified patent application. The September 19, 2006 Office Action provided a period of 3 months in which to file a response, i.e., by December 19, 2006. A petition for a three-month extension of time is being filed herewith. Accordingly, a reply to the September 19, 2006 Office Action is now due March 19, 2007 and this Amendment is being timely filed (along with a Notice Of Appeal).

Of note, entry of this Amendment (being filed concurrently with the above-mentioned Notice Of Appeal) is respectfully requested under 37 CFR 1.116(b)(1) as: (I) cancelling a claim (i.e., claim 3 is cancelled hereby); and (II) complying with a requirement of form expressly set forth in the previous Office Action (i.e., replacing the phrase "including" with the phrase "consisting of" in claims 1, 9 and 10 – see page 2 of the September 19, 2006 Final Office Action).
